

To connect the CoCo3 RGB/SCART cables to the HDMI adapter proceed as follows:

1. Connect the 10 pin connector to the CoCo3's RGB port on the bottom of the computer.
2. Place the yellow composite plug in to the CoCo3's composite video output jack.

3. Both the SCART connector and the HDMI adapter require power connect as shown below.

4. Install the SCART cable in to the HDMI adapter.
5. Install HDMI cable into the HDMI OUTPUT of the adapter and into you monitor.
6. Apply power to the supplied AC power adapter.
7. Wait a few seconds and you should see the HDMI configuration menu on the monitor.
8. Refer to the supplied pamphlet on the HDMI adapter for it's operation.
